Mantle Clearance	37" from bottom of unit to bottom of 8" mantle
Surround Side Clearance	1" (does not apply to inside fit surround)

Tested and Approved to Canadian and American Standards
ANSI Z21.88-2009/CSA 2.33-2009

31-DVI33N
DIRECT VENT
GAS INSERT

31-DVI33N with Small Flat Steel Front

Enjoy the **VIEW**

Transform any room into a gathering place with a new Archgard direct vent gas insert.

WHAT MAKES THIS FIREPLACE INSERT SO SPECIAL?

Archgard's 31-DVI33N DV gas insert offers you an incredible view of wall to wall flames. We've located the controls on the side of the unit, giving you a fire that begins at the hearth rather than being located above the valve control area.

Reclaim Your Space!

By installing an Archgard DV gas insert in your existing wood burning fireplace, you'll find that your friends and family will love gathering around. Your old drafty fireplace has now become a warm and inviting focal point of your room.

Always Dependable

Archgard backs its products with a limited lifetime warranty and tests 100% of its products before they leave our facility. This ensures that you are getting the quality product you deserve.

Customize Your Insert

Add your own style to your insert with the choice of three interior linings: Quebec City Gray Brick, Quebec City Red Brick and Reflective Ceramic Glass Panels. You can also add the optional backlight for a warm glow even when the insert is off.

DOORS & SURROUND PANELS

Large Flat Steel Front
31-SXLBS (Shallow) 31-SXLBD (Deep)

Small Flat Steel Front
31-SKSBS (Shallow) 31-SKSBD (Deep)

Harrison Mills Front
31-SDSHMB (Deep)

Mission Hill Iron Front
31-MHIFSSDB (Deep)

Accent Beveled Front
31-SKAB (Deep)

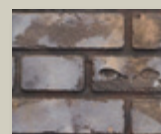

4-Sided Trimmable Blank Front
31-SK4BLANK (Shallow)

Surround panels and door fronts come standard with black powder coat finish for durability and lasting beauty. Please see specifications on back page for available sizes and control configurations. We do custom sizes - ask your dealer for details.

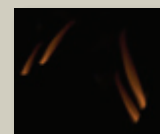

Touch of a Button

The 31-DVI33N comes standard with a remote control, allowing you to operate all of its functions with ease. Adjusting the flame height and fan speeds are simple and can be done without leaving your chair. You can also set the thermostat feature and allow the 31-DVI33N to keep you comfortable all on its own.
